The State of Georgia has adopted as State Law, the International Energy Conservation Code, 2006 Edition. This code regulates the design, erection, construction, alteration and renovation of buildings. The designer/ builder/ general contractor shall comply with the standards of this Code which are applicable.

This code contains requirements for energy conservation and in prior edition first became effective on April 1, 1996. Compliance with this code by designers, general contractors & builders is mandatory.

_____ personally appeared before me who, on oath, says that he/she is the designer /builder/contractor or their designated agent and certifies that the above permitted structure shall be built in accordance with the International Energy Code 2006 Edition.

This the _____ day of _____, 20_____
